

PRODUCT INFORMATION SHEET

aqua-t waterborne basecoat

Description

Easy to use, fast drying waterborne basecoat mixing scheme for vehicle refinishing. The acrylic formula of aqua-t provides colour stability for solid colour, metallic, pearl and Xirallic basecoats allowing accurate worldwide vehicle colour reproduction. The low VOC formulation provides a major saving in solvent emissions, whilst good covering saves both on materials and valuable time.

aqua-t Color Base	100 parts
AQT050	30 parts

<u>Ready for use:</u>	Viscosity	30-32 seconds BSB4 Cup @ 20°C
	Pot Life	1 Month
	VOC	<420g/l

HVLP:	1.3 – 1.5
CONVENTIONAL:	1.3 – 1.5

Fluid Tip (Gravity)

Apply 2 full coats. Then for metallics and pearls, follow with a lighter matching coat.

5* minutes flash off between coats. (* Depends on temperature and airflow)

Allow to become evenly dry before clearcoating. Drying time will depend on film thickness, temperature and airflow.

Cleaning – Tetrosyl WB Gun Cleaner (AQG025)

Health and Safety Information – See Material Safety Data Sheet (MSDS)

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only" are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
